Celebright

A BRIGHTER WAY TO LIVE

Celebright was founded on a simple belief: exterior lighting should be beautiful, effortless, and permanent.

Our patented permanent lighting ecosystem helps homeowners celebrate holidays, enhance architecture, improve security, and create unforgettable moments—all from a single system.

Because lighting is more than functional—it's personal.

FREQUENTLY ASKED QUESTIONS

Is there a warranty?

All Celebright™ lighting system components are covered under a ten (10) year warranty against defects in materials and workmanship from the date of purchase. This warranty can be transferred to a new homeowner if the property is sold.

Are your products certified?

Yes, all our products are certified for use anywhere in Canada and the United States. Our certification is ETL listed and conforms to UL Standard UL2108 and CSA Standard C22.2# 250.2. Our ETL Listing number is 5023546.

How long does installation take?

Installation depends on the size and complexity of the job, but generally, an installation can be completed in a single day.

Can you add to the system?

We have designed our lighting system in a modular way, you can add on to your system and control it along with the rest of your lights as if nothing changed.
